

## CHATEAU BEYLIE LA CROIX

### Bordeaux Rouge

#### PRESENTATION

Our vineyard is located on a plateau at Mérignac and has a surface of about thirty hectares of clay limestone soil and has been producing ECOCERT certified organic wines since 1987.

Château Beylie La Croix only produces Bordeaux AOC red wine using grapes grown with no chemical substances.

#### Awards :

AMPHORE (organic)  
BIOGASCOGNE (Gascony organic) COMPETITION  
PARIS GENERAL AGRICULTURAL COMPETITION  
BORDEAUX AQUITAINE WINE COMPETITION  
BOURG WINE INTERNATIONAL CHALLENGE  
AQUITAINE ORGANIC WINE PRODUCERS COMPETITION

#### TASTING

Wine with red fruits and spices aromas, on the nose and very limpid.

#### TECHNICAL INFORMATION

**Owner :** Vignobles Gonfrier.

**Vineyard area :** 30 hectares.

**Soils :** Clay-limestone

**Vinification:** The alcoholic fermentation is around a month and is made under temperature controlled stainless steel and concrete vats.

The wines are racked, pumped over and filtered after the malolactic fermentation. They are cold-stabilized at 3°C for one week during winter.

**Maturation:** in tanks and French oak barrels.
